

# ANNIS O'SULLIVAN VOLLEBEKK LTD

## Draftsperson Opportunities

Annis O'Sullivan Vollebakk (AOV) is a privately-owned, independent, multi-disciplined Professional Land Surveying firm based in Ottawa and Eastern Ontario, offering clientele a wide range of services in topographic, hydrographic, cadastral, geodetic, remote sensing and engineering surveys. In addition to providing a full range of land development consulting services, including severances, subdivision design & layouts, and condominiums projects, AOV also plays a key role in creating strata-ownership and easement limits for multi-use developments and is a valued step in aiding the housing crisis. We provide large scale aerial LiDAR and photogrammetric data as well as terrestrial LiDAR scanning solutions.

We prioritize and value our commitment not only to our clients, employees and communities', but to quality, professionalism, and safety - our employees come to work everyday doing something that they know really matters.

### The Role

Evaluate field data, formulate preliminary and detailed designs and drawings for various surveying, engineering and planning projects utilizing industry standard software. This is completed using information from field data provided by the field crews, existing survey information and data base files.

*We look forward to hearing from you!*

- Evaluate information from field data and existing survey information to formulate preliminary and detailed designs and drawings for various engineering and planning projects.
- Draw diagrams, profiles, plans using cross-sections and surveys to represent elevations, topographical contours and structures.
- Produce detailed and concise drawings and plans with technical accuracy under the direction of the Project Manager.

Our competitive advantage is based on constantly resetting for relevance, figuring out new ways to work in partnership, delivering on total well-being outcomes, building for employability and harnessing collective energy and knowledge to drive transformative change. We are a culturally diverse and inclusive work family where you can be your authentic self.

*Annis O'Sullivan Vollebekk Ltd. is committed to creating a barrier-free, accessible organization, utilizing a collaborative approach in supporting persons with disabilities during recruitment, selection, hiring and the ongoing employment life cycle in accordance with the Ontario Human Rights Code and the Accessibility for Ontarians with Disabilities Act.
